

## Income inequality in Russia

Kazan Federal University, 420008, Kremlevskaya 18, Kazan, Russia

---

### Abstract

© 2018 Taylor & Francis Group, London. In this article, we present data on income inequality in Russia. We also address the problems associated with inequality of income distribution in the country. We establish the causes of economic difference and determine the sources of economic inequality in the regions of Russia. Finally, we recommend measures to improve the socioeconomic climate in the country.
